Dear Sir:

The references identified in the attached PTO Form 1449 may be material to examination of the above-identified patent application. Applicants identify the references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to make the identified references of official record in this application.

The references identified in the attached PTO Form 1449 were previously submitted to the PTO on May 7, 2008. Because the listed references were either cited by the PTO, or submitted to the PTO, under 37 CFR § 1.98(d) Applicants submit that copies need not be provided.

Applicants note that the references listed in the PTO Form 1449 submitted to the PTO on May 7, 2008, are not marked in PAIR as having been considered by the Examiner. Thus, this list of references is resubmitted to ensure that the identified references are made of official record in this application. In recent telephone conversations, the Examiner indicated that he has considered these references, but that a technical problem has prevented the initialed PTO Form 1449 from appearing on PAIR. Applicants' attorney thanks the Examiner for his assistance in this regard.

This Information Disclosure Statement is: (i) filed within three (3) months of the filing date of the above-referenced application, (ii) believed to be filed before the mailing date of a first Office Action on the merits, or (iii) believed to be filed before the mailing of a first Office Action after the filing of a Request for Continued Examination under §1.114. Accordingly, it is believed that no fees are due in connection with the filing of this Information Disclosure Statement. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 504480 (Order No. ODVFP007).

Respectfully submitted,
